# Frequently Asked Questions

**Q: Is it okay to talk about and teach duplication?**

A: “Duplication” is the concept of teaching, coaching, and encouraging others to become successful using the same principles that contributed to your own success. Teaching and following this principle can be a powerful part of your business and is encouraged. However, “duplication” cannot be used to talk about guaranteed systems, specific timeframes, or to emphasize recruiting over product sales and sound business practices.

**Q: I have friends all over the world, can I sell products to friends in other markets?**

A: Brand Affiliates may only sell products purchased from the market where the Brand Affiliate resides. Online customers are only permitted to purchase and receive product(s) from the market in which the customer resides. Brand Affiliates may sell products to customers residing in another market only through Company produced tools and platforms.

**Q: Is paid advertising permitted?**

A: Paid advertising must be directed only to people who like your page or engage with you, e.g. a Boosted Facebook post to followers. Brand Affiliates may not use any other form of paid advertising, referrals, or other means to target specific demographics or aggregate/drive traffic to a social media platform or selling site (e.g. banner/pop-up ads, paid influencer posts, AdWords ads, and Cost per Mile).

**Q: Is Search Engine Optimization (SEO) permitted?**

A: SEO features in any form are prohibited and cannot be used. Keywords used in the page title, meta description, ALT tags, and/or in the pages body content that would otherwise be used to directly attract customers are prohibited.

**Q: Can I use automated messaging and chatbots?**

A: Automated messaging and chatbots are permitted, but limited to targeting only people who follow/like your page or who actively engage with you on your page (e.g. likes a post or makes a comment).

**Q: Can I recruit online?**

A: It is prohibited to actively recruit in public forums, such as discussion groups, message boards, blogs, comment sections, and employment-based websites. You may, however, actively recruit in personal social media platforms as well as private forums, such as closed groups, when such recruiting does not violate the admin/moderator rules or terms and conditions of such group or site.

**Q: Why can't I do raffles or contests to engage my followers?**

A: Games of chance are highly regulated by state and federal governments and many social media platforms have very detailed policies, as well. As a result, contests, sweepstakes, etc. are strictly prohibited. The Company will only permit referral posts (e.g., someone gives you a referral, you give them a tube of toothpaste)

**Q: What if I have questions about what is or isn't allowed?**

A: Please reference additional documents in the Regulatory Corner of the Nu Skin website referenced below. If you have additional questions, please don't hesitate to contact the Hong Kong and Macau Compliance team at [https://www.nuskin.com/content/nuskin/en\\_HK/corporate/contact.html](https://www.nuskin.com/content/nuskin/en_HK/corporate/contact.html).

**Q: Can I promote my business on any social media platform?**

In addition to complying with Nu Skin's policies and guidelines, you must follow any platform-specific policies, rules, and guidelines. Keep in mind that some platforms restrict the type of content that can be posted (for example, Pinterest doesn't allow advertisements related to multilevel marketing models or content regarding weight loss products), whereas other platforms, such as TikTok and WhatsApp for Business, have prohibited all multilevel marketing related activities from their platforms. For more information regarding these and other important updates, please see the Platform-specific New Commerce Policies on our Regulatory Corner [https://www.nuskin.com/content/nuskin/en\\_HK/corporate/REGULATORY\\_CORNER.html](https://www.nuskin.com/content/nuskin/en_HK/corporate/REGULATORY_CORNER.html).

The company, in its sole discretion, can prohibit the use of any social sharing platform that does not meet the parameters of these Social Sharing Guidelines and applicable law.
