---	---

Why has been discontinued the ageLOC Me Device?

It was a difficult decision, but one that we feel is in the best long-term interests of all involved with Nu Skin. By reallocating resources to other areas and bringing the experience and consumer data that ageLOC Me has brought us to new, exciting projects, we can continue to work on even more ground-breaking solutions that bring life-changing results to all our customers, ensuring Nu Skin's continued success long into the future.

When has been discontinued AgeLOC Me device?

The ageLOC Me Device has been discontinued in November 2019.

When will the ageLOC Me Cartridges be discontinued in my market?

This discontinuation will take place at different times, beginning in August 2020 for Russia, and continuing in other markets at a later date (November onwards). Customers in those markets will be informed when more information becomes available.

Are there any alternatives to ageLOC Me?

Yes! We recommend trying our ageLOC Transformation products, which will offer the same benefits as the ageLOC Me Reference Set.
