

THE SCANNER OPPORTUNITY

BUILD YOUR BUSINESS BY DEMONSTRATING THE DIFFERENCE

HELP SELL MORE PRODUCT!

Let the scanner give immediate proof of your customers carotenoid level and show them the measurable difference

GUARANTEE RESULTS!

90 day money back guarantee on SCS certified products

GENERATE INCOME!

Build income with initial and subsequent scan bonuses

SUPPORT RETENTION!

Incentivize more ADR retention by regularly tracking progress and providing motivational goals

INCREASE AWARENESS!

The Scanner is a powerful tool to test and optimize someones carotenoid score. The higher is the concentration of carotenoids in the skin, the higher the scanner score will be. Knowing such level is a source of motivation to apply a dietary habit with a high consumption of carotenoid-rich fruits and vegetables or supplementation.

Food supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle
