# WHAT TO KEEP AN EYE ON?

*As you try to qualify for the Award, remember that the primary purpose of your business and Nu Skin is to promote and/or sell high quality products to end customers. As part of this process, you may sponsor other Brand Affiliates in the business to build your sales organisation and train them how to promote or retail products. However, the recruitment of other Brand Affiliates is not your primary focus, but rather an integral part of your fundamental obligation to sell products and increase the sales of products to end customers by your downline organisation.*
