LEARN MORE ABOUT IT

What are bioadaptive botanicals?

Bioadaptive botanicals are plants that thrive in extreme climates thanks to their adaptive properties. These special properties help your skin adapt to its changing and unique environment so it can recover from—and gain resiliency to—environmental stressors.

NUTRICENTIALS® DEW ALL DAY MOISTURE RESTORE CREAM

What skin types should use Dew All Day?

Dew All Day is formulated to be suitable for all skin types. This is a perfect option for those who are craving a dewy glow.

Can I use Dew All Day in the morning and at night?

Dew All Day fits perfectly into your morning and nighttime skin care routines. This soothing, creamy formula provides hydration around the clock and helps your skin adapt to daily stressors. For daytime UV protection, add a sunscreen product like Day Dream Protective Cream SPF 35.

How does Nutricentials support Nu Skin's commitment to become more sustainable?

Nutricentials product bottles are made from 100% post-consumer resin, and the tubes are made with 34–35% post-consumer resin (PCR). Plus, more than 90% of our palm ingredients are Roundtable on Sustainable Palm Oil (RSPO) sourced. Please check your local capabilities and recycle the bottles, jars, and cartons where possible. By purchasing Nutricentials, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us.

Visit www.nuskin.com/sustainability for more information and details on how to recycle.

What is the Nutricentials commitment to clean formulas?

With our commitment to transparency, sustainability, and using only the best of science and nature, we bring you clean formulas based on our Nutricentials worry-free ingredient list—all in sustainable packaging. So you can feel confident in your natural glow and in your skin care. Nutricentials Bioadaptive Skin Care™ is responsible skin care for conscious consumers.
