

# AGELOC® TRU FACE® ESSENCE DUET

Embrace a visibly ageless you with two proprietary, scientifically validated ingredient blends that deliver youthful results you see, feel, and love. ageLOC targets the sources of aging. Tru Face FirmPlex enhances a key component of visibly firm skin. Both are combined in every ageLOC Tru Face Essence product to give you visibly firmer, tighter, more contoured skin than ever before.

## MEET AGELOC TRU FACE ESSENCE DUET

The skin on your neck and décolleté is prone to unique signs of aging. Now you can support this vulnerable area and embrace a younger-looking you with ageLOC Tru Face Essence Duet.

This dual-chamber, must-have treatment combines two powerful formulas, mixed at the moment of use, to deliver ageLOC and Tru Face FirmPlex benefits to your neck and décolleté. The silky formula helps limit the loss of elasticity to visibly lift, firm, contour, and soften skin, while at the same time promoting a smooth, radiant, and youthful appearance. Enjoy a visibly firmer, ageless-looking neck and décolleté with ageLOC Tru Face Essence Duet.

## WHY YOU'LL LOVE IT

- ageLOC targets the sources of aging to preserve the look of youth and reduce the appearance of aging.
- Specially formulated with Tru Face FirmPlex to deliver visibly firmer skin than ever before.
- Formulated to visibly lift, firm, contour, and tone your neck and smooth your décolleté.
- Designed to visibly tighten skin on your neck.
- Provides advanced moisturization and smoothness.

## Why does ageLOC Tru Face Essence Duet have dual chambers?

ageLOC Tru Face Essence Duet combines a gel and lotion to provide an unprecedented cushiony feel users love. The airless pump helps deliver this exclusive product in even doses.

## What are the differences between the two chambers of ageLOC Tru Face Essence Duet?

The opaque white cream in one chamber includes our proprietary ageLOC blend and other anti-aging actives. This formula helps provide extra moisturization and radiance while helping to improve skin texture through enhanced cell turnover. The clear formula in the second chamber contains a blend of ingredients similar to ageLOC Tru Face Essence Ultra and is formulated specifically to provide firming and contouring benefits to the neck and décolleté.
