

AGELOC® GALVANIC SPA® FACIAL GELS

Get ready for the ever-young results you love with the luxurious spa experience you deserve—all in your own home. ageLOC Galvanic Spa products harness galvanic currents that accelerate clinically proven treatments to visibly rejuvenate your face, hair, and body with youthful vibrancy.

MEET GALVANIC SPA FACIAL GELS

Your two-step skin revival in just five minutes. ageLOC Galvanic Spa Facial Gels are a clinically proven, advanced anti-aging treatment designed to help your skin feel invigorated, vibrant, and youthful. Self-adjusting galvanic currents propel key ingredients to your skin to visibly reduce lines and wrinkles and reveal a firmer, more lifted, contoured, glowing appearance in just five minutes. Harness exclusive patented technology and take ageless beauty to a new level.

WHY YOU'LL LOVE IT

PRE-TREAT GEL

- Binds to impurities.
- Softens and relaxes pores, allowing them to breathe.
- Dissolves and liquefies excess facial oils.
- Soothes and conditions skin.

TREATMENT GEL

- Removes impurities targeted in the Pre-Treat phase.
- ageLOC targets the sources of aging to preserve the look of youth and reduce the appearance of aging.
- Revives and invigorates tired, stressed skin.
- Enhances hydration, and leaves skin feeling incredibly soft, clean, and refreshed.
- Combats damaging free radicals caused by environmental stressors.

COMBINED GELS

- Provide eye-catching, skin-rejuvenating results in just a few five-minute sessions each week.
- Work to restore skin's natural vibrancy by removing impurities.
- Supply beneficial ingredients with delivery enhanced by galvanic currents.

WHAT POWERS IT

- **Arginine**—helps skin recover from stress.
- **Adenosine**—an antioxidant that protects skin against the effects of damaging free radicals.
- **Tēgreen 97® Extract**—a highly concentrated extract of catechins that combat free radicals.
- **Jania Rubens Extract**—a unique ingredient grown through controlled environment agriculture (CEA). This marine herb helps reduce the appearance of wrinkles.
- **ageLOC Blend**—targets the sources of aging to preserve the look of youth.

HOW TO USE IT

Use this treatment three times each week for visibly rejuvenating results. Use on a clean face. Follow with a Nu Skin toner of your choice. See your ageLOC Galvanic Spa Owner's Manual for complete usage instructions.

LEARN MORE ABOUT IT

What is new about ageLOC Galvanic Spa Facial Gels? ageLOC Galvanic Spa Facial Gels have been re-envisioned from the ground up to provide a whole new and improved visible firming and lifting experience. With new packaging, new clinical evaluations, and an upgraded formula featuring

AGELOC® GALVANIC SPA® FACIAL GELS

a Groviv®-certified ingredient, ageLOC Galvanic Spa Facial Gels is a highly effective, at-home anti-aging treatment.

Can people with acne use ageLOC Galvanic Spa Facial Gels?

ageLOC Galvanic Spa Facial Gels are great for all skin types. That said, they have not been evaluated on acne-prone skin. Those with skin conditions should consult their healthcare professional before using this product.

Can I use part of one gel for one application and then use the rest a few days later?

ageLOC Galvanic Spa Facial Gels are packaged in individually metered dosages. Using a full ampoule as directed will ensure that each application provides the most beneficial amounts of key ingredients. We recommend that each ampoule be used in one sitting and not saved for later use.

How often should I use ageLOC Galvanic Spa Facial Gels?

We recommend you use ageLOC Galvanic Spa Facial Gels two or three times each week.

How do ageLOC Galvanic Spa Facial Gels support Nu Skin's commitment to become more sustainable?

The ageLOC Galvanic Spa Facial Gels ampoules are made from LDPE plastic, the shrinkwrap is made from polyolefin, and the carton is made from virgin paper. By eliminating the plastic tray historically included with Galvanic Spa Facial Gels, we will be saving approximately 14.44 tons of plastic annually. Please check your local capabilities and recycle all packaging where possible.

Visit www.nuskin.com/sustainability for more information and details on how to recycle.

What is Groviv®?

Groviv is Nu Skin's innovative initiative to source ingredients through controlled environment agriculture (CEA)—a technology-based approach to agriculture. CEA ingredients grow within an enclosed growing structure using technologies that ensure optimal conditions from seed to solution. If you see a Groviv mark on a Nu Skin product package, it means the product contains an ingredient or ingredients grown through CEA.
