

SUNRIGHT® LIP BALM SPF 15

Expect more from your sun products. Sunright solutions help you look and feel great as you enjoy your time in the sun. From better UV protection to a natural-looking sunless tan, trust Sunright for the right products and the right benefits for your days in the rays.

MEET SUNRIGHT LIP BALM

Your lips are one of the most sun-sensitive parts of your body. Give them the extra hydrating care and protection they need with Sunright Lip Balm. A special formula of broad-spectrum SPF 15, antioxidants, and rich moisturizing ingredients takes our lip balm a step above the rest, perfect for the whole family. Keep a tube in the car, in your pocket, and always with you on the go for the perfect lip-loving moisturizing protection whether you're having fun in the sand or on the slopes.

WHY YOU'LL LOVE IT

- Broad-spectrum SPF 15 helps protect lips from UVA/UVB rays.
- Antioxidant ingredients help protect lips from environmental stressors.
- Hydrates, smooths, and softens dry, chapped lips.
- Conditions lips with rich, important moisture.
- Carefully formulated for the whole family.
- Conveniently portable, perfect for any outdoor adventure, from beach time to ski time.

WHAT POWERS IT

- **Sunflower Seed Oil**—a rich emollient for skin softening and moisturization.
- **Vitamin E (tocopherol and tocopheryl acetate)**—delivers antioxidants to help protect against environmental stressors such as the sun, wind, and cold.

HOW TO USE IT

Apply liberally to lips as often as necessary.

LEARN MORE ABOUT IT

What does SPF stand for?

SPF stands for Sun Protection Factor. This factor is linked to how long you can be exposed to the sun while wearing the sunscreen and still be protected. But the time it takes for someone's skin to burn varies greatly by individual, so it is important to remember that sunscreen is not a one-size-fits-all science.

When should I apply Sunright Lip Balm?

Apply generously to lips before and during sun exposure to hydrate and protect them. We especially recommend applying liberally before a day at the beach or on the slopes.

WHAT'S IN IT

Ricinus Communis (Castor) Seed Oil, Helianthus Annuus (Sunflower) Seed Oil, Beeswax, Euphorbia Cerifera (Candelilla) Wax, Ethylhexyl Methoxycinnamate, Ozokerite, Polyethylene, Caprylic/Capric Triglyceride, Octyldodecyl Neopentanoate, Butyl Methoxydibenzoylmethane, Octocrylene, Flavor (Aroma), Glycine Soja (Soybean) Oil, Ethyl Vanillin, Chlorella Vulgaris Extract, Tocopherol, Tocopheryl Acetate, Zea Mays (Corn) Starch, Silica, Water (Aqua), Ethylhexylglycerin, Phenoxyethanol.
